### OCC25 - TWO TANK SCUBA DIVE

active & adventure

First stop, Victory Reef! Positioned along the edge of the Gulfstream and running from north to south, Victory Reef is possibly the most enchanting dive site in all of Ocean Cay. Full of caverns, swim-thrus and dramatic underwater topography, Victory's depth profile ranges from 35 feet to 90 feet and thus caters to all divers regardless of experience level. Divers can expect to see Caribbean Reef Sharks, Loggerhead Turtles and sometimes even pelagic fish like Wahoo and Mahi-Mahi. Next stop, Bull Run! This amazing site is a shark lovers paradise. While Caribbean Reef Sharks are the most common, it is not unlikely to see Nurse Sharks and even Lemon Sharks. Packed with cut-outs, coral caverns, swim-thrus and copious amounts of healthy reef, Bull Run's depth profile ranges from 25 feet to 55 feet. For certified divers this Two Tank Scuba Dive is an aquatic adventure not to be missed! Please note: All participants must be certified divers (from an accredited dive training agency, i.e. PADI, NAUI, SSI, etc.) and must have completed a dive within the last 12 months. The certification card must be presented to the dive operator before the tour begins. All participants must be able to answer "NO" to all questions on a standard dive medical release. ### OCC12 - OCEAN CAY FAMILY CLUB: HELP DOREMI SAVE THE ISLAND!

something special

A mysterious and unknown island is the perfect place to learn more about respecting the environment and the animal species living on the land and in the oceans. At Ocean Cay, children will be led by Doremi in a great adventure to preserve this beautiful island and the whole world. The animals of the island have sighted the boat and rise up against the explorers, thinking they are pirates or - even worse - people coming to destroy their beautiful island. They don't know that the explorers want to protect the ocean and the earth, so they decide to put the to the test, making them prove they don't want to destroy this little paradise. Six amazing beaches will be the perfect background to play with the map and solve riddles and games. At Lighthouse beach, the little explorers will learn about the flora of the island and then they go straight to Sunset Beach, where they will discover the local airborne animals. At Aurea Paradise Sands it is time to meet the rays! After that, at the beautiful Ocean Bay Lagoon, they will be put to the test about the tropical fruit of Ocean Cay. Another step and they will reach Bimini Beach and meet the local fishes. One last stop, at South Beach, for a great lesson about plastic and rubbish recycle and the mission will be accomplished! The secret word is: RESPECT. A message in a bottle will reveal the knowledge they need to take care of our beautiful planet. The booklet will help guide this adventure along with lots of stories, fun and games!

### OCC11 - KIDS BEACHSIDE STARGAZING ADVENTURE

something special

What's important in life? Knowing where you are and how to get to where you want to go. Through the exploration of the skies kids learn more about the beauty and the importance of the stars as reference points for navigation and orientation. With stories, games and riddles, the children will help a little star finding her way back home to the skies. Thus learning about stars, space and how to treat and respect to our beautiful planet. In the dark of night, an unusual boat is sailing the ocean, full of brave little explorers, led by Captain Doremi. Whilst gazing at the night skies they suddenly see a star soar through the sky and fall into the sea. The explorers are able to save the little star from the sea and bring her on board, but she starts to shine less and less each day. How can they save her? With the help of a very useful leaflet and special stickers, they are bound to succeed! They will discover and learn everything about universe, planets, stars, time and space: what happened to the Universe after the Big Bang? Which is the biggest planet? What is the atmosphere? What is the relationship between the Moon and the Earth? How big is the Sun? Answering to those questions, children will help the little star to come back home.
